

A letter from The Conference Director:

Dear All

At Mission Worship 2010 we heard of the sad news on the Friday evening as Phil and Gilly Thomas had to be called away from the Congress Theatre due to a terrible fire at their home. On the Sunday morning as the terrible news filtered back to us, we got together as the Body of Christ and raised the sum of £3,600 to help this couple and their family make a new start. I have since spoken to Phil and both he and his family are overwhelmed by your support and how the people of God have shown various acts of kindness since the fire. Thank you for your help in shining a light into the Thomas families hour of darkness.

God Bless

Stephen Doherty

Mission Worship Conference Director
