Raise A Hallelujah #1 - Standing on His Promise

Dr John Andrews - Main Hall

Often the issues of life and trials of our faith seek to challenge our 'hallelujah' in order to silence our confession and destroy our confidence. In this first of 3 seminars we will consider the dynamic idea at the heart of a lifestyle that can raise a hallelujah...Standing on His Promise.

New Songs

Aaron Keyes & Lucy Grimble - Devon Hall

Join in for a very special session. Worship leaders Aaron Keyes and Lucy Grimble have paired up to share with you the heart - as well as the perspiration - that lies behind some of their latest songs.

Keys to Spiritual Warfare: His Presence, Your Defence

Noel Robinson - Wiltshire Room

Join Noel Robinson as he shares the practical spiritual application of a worship lifestyle and the impact it can make on everyday life.

Keyboard Masterclass

Sam Blake - Somerset Room

With so many incredibly creative options at our fingertips, knowing when, where, what and how to play are all great questions. From chords to Nords, sounds to substitutions, let's look at the detail together and help each other on the journey to becoming a better keyboard player.

What is Mission Worship?

Doug Williams - Dorset Room

Is it a conference? Or is it a song?...or is it the New Testament concept of having all that we do for God framed as an expression of worship? What would happen to our outreach and service if it was truly undergirded by an attitudinal posture or heart that was seeking to please and honour our Saviour?...

How to Make Your PA the Best It Can Be (from Set-up to Sound Check and Mix)

Bruce Pont - Surrey Room

A walk-through basic sound, practical church sound, worship band, communications and team building. Practical advice, with a spiritual viewpoint.

Raise A Hallelujah #2 - Surrendering to His Purpose

Dr John Andrews - Main Hall

In this second of three seminars Dr. John Andrews will continue to share the dynamic idea at the heart of a lifestyle that can raise a hallelujah...Surrendering to His Purpose.

New Songs

Noel Robinson & Richard James Butt - Devon Hall

Worship leaders Noel Robinson and Richard James Butt have paired up to share with you the heart - as well as the perspiration - that lies behind some of their latest songs. Come along and get informed, equipped and inspired.

Songwriting

Aaron Keyes - Wiltshire Room

Songwriting is one of the best ways to make sure that what God is doing in you doesn't end with you. If you're a leader in worship, you are a songwriter. In this seminar, we will discuss the importance of songwriting, as well as the process through practical, helpful tools to further your journey in writing songs for your community.

Global Worship: Interweaving Songs for Diverse Cultures

Ian Collinge & Rob Baker - Somerset Room

It's possible! Different cultures really can worship Jesus together so that each part of the body brings their own worship. Join this song-learning workshop to consider how to mix well-known repertoire with songs from the nations.

Hallelujah for Israel's History and Culture

Robin Lane - Dorset Room

God's hand in Israel's history shows throughout the Bible, prompting many songs of praise to be written by believers of all nationalities. But often overlooked in the huge variety of worship songs is the contribution being made by Jewish believers in Jesus. They add a deep understanding of Israel's culture into their songs - making them well worth hearing. Come and find out more...

Guitar Masterclass - Electric Guitar in Modern Worship Music

Martin Cooper - Surrey Room

This masterclass will focus on demonstration and discussion that will give you food for thought in terms of how best to serve your church, and what skills you may want to develop moving forwards. Topics covered will range from how to adapt to different musical settings, whether knowledge of theory and harmony is useful, the pros and cons of using technology in church worship music, and plenty of chance to discuss tone and other important guitar geek content (including real amps vs. profiling amps).

2.30pm **BREAK**

3.00pm **SEMINAR 2**

PG Tips on Prayer #1

Pete Greig - Main Hall

In this seminar Pete will be sharing his thoughts on the importance of caring for your own soul as a leader.

Dr. John Andrews - Devon Hall

In his third seminar, Dr. John Andrews will continue to share the dynamic idea at the heart of a lifestyle that can raise a hallelujah... Staying in His Presence

Vocal Masterclass #1 - Vocal Technique Training and Troubleshooting

Faye Streek - Wiltshire Room

How do **you** want to improve your voice? This masterclass in current vocal technique thinking aims to be an interactive workshop into how each individual can safely sing with more freedom, flexibility and consistency; whether you're brand new to singing or a seasoned pro!

Keeping It Real - How Worship Shapes Authenticity

Lou Fellingham - Somerset Room

How do we live an authentic life of worship before God in the seen and the unseen moments? Come and listen to Lou's thoughts on the matter.

Worship Leading in the 94% Church

Duncan Reid - Dorset Room

94% of churches have 500 or fewer members, 73% 200 or fewer, and 51% 100 or fewer, but these 'smaller' churches are under-represented, under-resourced, and have particular challenges. Come and find out about the ways that you can serve your 94% church by finding the songs you need for your community, learning to play them, and leading your people in worship.

Ted Talks - Practical Mission in Action

Surrey Room

1. **Helping Muslims Follow Jesus - ReachAcross**

Muslims are the least reached with the gospel. Why do they matter and how do we reach them?

2. **Let the Lion Loose - Bible Society**

It is time to release the Bible in our country and equip our church communities to share the Bible. Find out how!

3. **A Little Taste of Freedom - Bramber Bakehouse**

Hear the amazing story of how a love for baking and reaching trafficked women was the impetus to start a charity to bring dignity to women who needed hope.

4:00pm **BREAK**

4:30pm SEMINAR 3

**PG Tips on Prayer #2
Pete Greig - Main Hall**

In this seminar Pete will be sharing on dealing with disappointments and getting your head around unanswered prayer.

**Vocal Masterclass #2 - I JUST Sing Backing Vocals!
Faye Streek - Wiltshire Room**

For all you harmonisers out there, be it as a worship leader or as a supporting vocalist, this interactive masterclass aims to encourage a fresh perspective on just how creative and impactful the vocal team can be. Through experimentation with tonal blending, dynamics and arrangement, we will aim to ensure not one ounce of lyrical truth goes unnoticed...

**Harp & Bowl...(Intimacy and Intercession)
Doug Williams - Somerset Room**

Worship draws believers into the throne room of God and is their response to what He discloses about Himself and His purposes...but there is more! Jesus has a ministry of intercession and so does the Holy Spirit. We need to learn how to partner with God in this powerful expression of prayer and watch travail turn into triumph! Worshipful intercession releases breath taking power into the earth...

**From Worship Segment to Worship Service
Tracey Campbell - Dorset Room**

"Worship is not a meeting about God, but a meeting with God." The words that characterise our gatherings are of great importance. Is your language used in your service reflective of the nature of the gathering.

**All-Age Worship
Sam Blake - Surrey Room**

Leading worship and writing songs for the whole church involves crossing generations, genres, preference and prejudices. There is a joy and a blessing when we are intentional about how we include every age in our worship journey. Join Sam Blake as he shares tips and ideas that will help you navigate some of the tricky areas and set you up for a Spirit-led worship win!
